**Re: Century Enterprises, Inc.  
CC Docket No. 00-257  
Notification Pursuant to Rule 64.1120(e)**

Dear Ms. Dortch:

Pursuant to Section 64.1120(e) of the Commission's Rules, this letter provides notification to the Commission of the pending acquisition and contemplated transfer of that portion of the presubscribed interexchange subscriber base of C-R Long Distance, Inc. serving customers in Yates City, Illinois by Century Enterprises, Inc. In accordance with Commission requirements, the following information is submitted herewith:

1. Selling Carrier: C-R Long Distance, Inc.  
Acquiring Carrier: Century Enterprises, Inc. ("CEI").
2. The types of services to be provided to the affected subscribers: IntraLATA and/or interLATA interexchange and international service.
3. Expected date of transfer of subscriber base to CEI: July 2, 2007

A copy of CEI's advance subscriber notice is attached. CEI hereby certifies that it has provided this advance subscriber notice to all affected subscribers in accordance with rule 54.1120(e)(3), in compliance with the obligations specified in that subsection, and with the statutory and Commission requirements applicable to this streamlined notification process.

A copy of this letter is being filed electronically in the above-referenced docket.

Respectfully submitted,

  
Sylvia Lesse

*A Subsidiary of Mid Century Telephone Cooperative*

April 27, 2007

(Address)

Dear Yates City Long Distance Customer:

We are pleased to announce that Mid Century Telephone Cooperative has agreed to purchase Yates City Telephone Company's local telephone business. As part of that transaction, Century Enterprises, Inc. a subsidiary of Mid Century Telephone Cooperative, also will be acquiring the long distance business of C-R Long Distance, Inc. d/b/a Yates City Long Distance in the Yates City exchange. In short, if you are currently receiving local toll, standard long distance and/or international calling from Yates City Long Distance, after the transaction closes, you will be getting those services from Century Enterprises and the charges for those services will appear on the same bill as your local telephone service from Mid Century. You will be receiving a separate notification regarding your local service.

When all necessary regulatory approvals are obtained and the transaction is completed, Yates City Long Distance will no longer provide long distance service in the Yates City exchange. At that time, you will become a subscriber of Mid Century Telephone Cooperative for your local service and a subscriber of Century Enterprises for the toll services you presently receive from Yates City Long Distance, whether local toll (intraLATA toll), standard long distance (interLATA toll), international, or any combination of these services. We anticipate that the transaction will be completed in about three months, probably in July, but no sooner than 60 days from the date of this notice. Of course, you will not incur a carrier change charge for the transition.

Mid Century Telephone Cooperative's and Century Enterprises' goals are to provide outstanding customer service along with state of the art telecommunications services to all of its subscribers. When the transition takes place, there will be no immediate change in your long distance service. Thereafter, your rates may change slightly (either up or down) as we match your current plan to the most similar Century Enterprises plan. Century Enterprises will mail notice of such changes to you at least thirty days before they become effective.

All customers have a choice in carriers for their long distance services. You can choose to take no action, which will result in your services defaulting to Century Enterprises, even if you have arranged to have a preferred carrier "freeze" placed on your account. Because, under Federal

Communications Commission rules, all “freezes” are lifted as part of this acquisition process, you should contact Mid Century at 1-877-643-2368 if you wish to arrange for a new freeze.

Unless you choose another carrier before the transaction closes, your account will be transferred to Century Enterprises automatically. If you choose to select another carrier, you should contact that carrier to ensure that your services are transferred no later than thirty days following the transaction. Century Enterprises will be responsible for any carrier change charges associated with this change of carrier if it occurs before or within 30 days of the close of the transaction.

Once the transaction is complete, you will automatically begin receiving a monthly statement from Mid Century, which will include your long distance, in place of the Yates City Long Distance bill you now receive from Yates City Telephone Company. If you have any questions about this transaction, you can call 1-888-231-4588. For questions related to your current service, please continue to use the same telephone numbers that appear in your local directory **or** on your current telephone statement for reaching a Yates City Long Distance or Yates City Telephone Company representative. Yates City Long Distance and Yates City Telephone Company have valued your business and will continue to serve your local telecommunications needs until the changeover is complete.

Rest assured we will make this transaction smooth and effortless and will continue to inform you of developments as they occur. Mid Century and Yates City Telephone Company, along with Century Enterprises and Yates City Long Distance, are committed to ensuring that **you** receive the best possible service to meet your needs.

Sincerely,

Russell D. Schrodtt, Executive Vice Pres., General Manager  
Century Enterprises, Inc.
